If you're reading this, you already know that your best friend deserves the very best. That's why you feed them CESAR® dog food in the first place, right? Of course it is — that was a rhetorical question! But we'd like to ask another question: Have you tried CESAR® WHOLESOME BOWLS™ Wet Dog Food? If you're looking for a reason, we have five. Trust us; your dog is going to love them.

### 1. Variety

They say variety is the spice of life, and while we're not sure who "they" are, we have to agree — and we know your dog will, too. With four flavors to choose from, including our Chicken, Carrots, Barley & Green Beans Recipe, we can pretty much guarantee your bestie will find a new favorite in this tasty lineup.

### 2. Culinary-inspired Flavors

With recipes like [Chicken, Sweet Potatoes & Green Beans](#) and [Beef, Chicken, Carrots & Purple Potatoes](#), your four-legged friend will feel like they're dining at the world's finest restaurant every night — without having to put on a leash. Not only are these bowls truly palate-pleasing; they're a feast for the eyes as well. (Seriously, they look so good you might be tempted to try one. Just remember: They're not for humans, unfortunately.)

### 3. Quality Ingredients

CESAR® WHOLESOME BOWLS™ Wet Dog Food is crafted with real meat, like chicken or beef, as the first ingredient, plus wholesome, fresh veggies for a taste and texture that will please your pup. It's definitely a great time to be a dog!

### 4. Versatility

Sure, you can absolutely serve your hungry pup these bowls by themselves. But if you want your dog to love you even more than they already do, try mixing them with their favorite dry kibble. The result will be a deliciously special treat they won't soon forget.

### 5. Convenient, Balanced Nutrition

Technically, these are two reasons, and you'll probably care a little bit more about them than your dog does. But they're important to include in the list. CESAR® WHOLESOME BOWLS™ Wet Dog Food comes in a convenient, ready-to-serve bowl; all you have to do is peel away the freshness seal for a delicious meal at home or on the go. Plus, each recipe provides 100% complete and balanced nutrition for adult dogs and is made with no artificial colors, flavors, fillers or preservatives.\*

Happy feeding!
