“Food?” If our pups could talk, this would undoubtedly be one of their favorite requests. And in reply you’d only have to say, “CESAR® is served!” to get their tail wagging.

CESAR® wet foods are available in so many varieties that your furry friend may need to taste test a lot of options to find a favorite — but we’re pretty sure they’re up for the challenge. Let’s explore some of the many delicious, nutritious flavors and see what our pups are telling their people to say about them.

CESAR® WHOLESOME BOWLS™

These fresh and healthy flavors won’t just satisfy — they will bowl your dog over! Our [WHOLESOME BOWLS™](#) recipes start with real, recognizable ingredients, like juicy cuts of tender beef and succulent chicken.

Partner those magnificent meats with generous pieces of wholesome carrots, green beans and potatoes, and let the feast begin in ready-to-serve bowls. We’re talking 100% complete

and balanced nutrition for your adult dog that delivers 1,000% deliciousness.

"I have a finicky little Miki-Poo that cannot wait for me to put the bowl down!"

CESAR® SIMPLY CRAFTED™

Treat your furry friend to a delish dish with no artificial colors, flavors, fillers or preservatives.* Because when they're happy, you're happy — it's just that simple! Complement your pup's kibble with real pieces of scrumptious chicken and beef garnished by a garden of ingredients you can see: carrots, potatoes, peas, apples, spinach and green beans. Does your small dog have big love for grains? Choose a recipe with barley, brown rice or red rice.

*Trace amounts may be present due to cross contact during manufacturing.

"Our 4.7-pound Maltese, Dottie, loves this food above all others — even my husband's tenderly cooked, boneless chicken breast made just for her!"

Your furry foodie will flip out over a meat-first menu offering beef stew, slow-cooked chicken, pot roast, turkey, multiple steak flavors, BBQ chicken flavor, braised rib flavor — even sausage flavor with egg and cheese for the breakfast crowd.

Then multiply that variety by the culinary accoutrements: pasta, bacon and all kinds of tasty vegetables.

"My pug, Major Butters, absolutely loved it! I love giving him food that is more like we are eating."
